Jane, Denise, Kira, Marcel and Meghan:

Sending out this final draft of the email I intend to send to Richard Doucette at the FAA today with our comments on the FAA's administrative draft Environmental Assessment for the Nantucket airport project related to PFAS contamination. I'm planning to send this out at 2PM today so please let me know if you have any final comments. Thanks for your help so far.

Meghan I'm copying you for your situational awareness.

I'll be away from my computer from 11:45 to 12:45+/-
